## Statewide Competition Round Rules ("Statewide Rules") Template

### COVER PAGE

The U.S. Chamber of Commerce Foundation (the "Foundation") provides the following rules to Statewide Hosts as a template for National Civics Bee Statewide Competitions. The Foundation defines a "Statewide Competition" as a National Civics Bee-sanctioned live competition organized and operated by an organization authorized by the Foundation to host a Statewide Competition (a "Statewide Host"), after completion of the National Civics Bee Essay Round.

These Statewide Rules are not intended for use in any other rounds of the National Civics Bee Competition (the "NCB Contest"). All participants must comply with the applicable rules for each round of the NCB Contest, which may include an Essay Round, a Regional Competition, a State or Statewide Competition, and the National Competition.

The operation of each Statewide Competition is the sole responsibility of the Statewide Host, and the Foundation takes no responsibility for running the Statewide Competition, including compliance with all federal, state, and local laws and regulations applicable to the Statewide Competition (collectively, "Applicable Law"). Please note Applicable Law may apply to the running of the Statewide Competition (e.g., laws on entry into competitions where there is a cash prize), and it is the sole responsibility of the Statewide Host to comply with all such Applicable Law. While these Statewide Rules are intended to follow general best practices in competitions like the NCB Contest rounds, the Foundation makes no representation or warranty regarding the Statewide Rules' compliance with Applicable Law and expressly disclaims any such warranty.

All questions or concerns related to a Statewide Competition should be submitted to the applicable Statewide Host, not the Foundation. Statewide Hosts are listed at [nationalcivicsbee.org](http://nationalcivicsbee.org) and are searchable by zip code.

By participating, each participant agrees to the Statewide Rules and warrants their compliance with all requirements set forth in the Essay Round Rules and Statewide Rules.

## **ENTRY PROCEDURE**

The NCB Contest is made up of several rounds, each of which is governed by its own set of rules. Any provisions set out in these Statewide Rules regarding other rounds are for informational purposes only and do not constitute rules with respect to any other round.

Participation in the first round, the Essay Round, is a prerequisite to entrance into the Statewide Competition. During the Essay Round of the NCB Contest, each entrant is assigned to a Statewide Host, where applicable, based on their address as submitted with their essay.

The twenty (20) highest-scoring entrants from the Essay Round will be notified of their qualification to advance to the Statewide Competition and will be invited to participate in the live Statewide Competition. The parent or legal guardian of each invited finalist must accept the invitation and execute and return all required consents and publicity releases to the Statewide Host, all within ten (10) days of notification or the finalist will be disqualified, and alternate finalist(s) will be chosen.

The twenty (20) qualified finalists from the Essay Round (including alternates) who timely accept their invitations and return all required consents and releases as provided above are referred to in these Statewide Rules as the "Statewide Finalists."

By accepting an invitation to participate in the Statewide Competition, each Statewide Finalist and their parent/guardian agree to these Statewide Rules.

## **FORMAT OF COMPETITION**

Statewide Finalists must appear in person and arrive on time (i.e., prior to the start of the first scheduled event) for the Statewide Competition, which will be held on **June 20<sup>th</sup>**. The Statewide Finalists will compete in the live Statewide Competition, which will determine the first, second, and third-place winners.

The Statewide Competition will be made up of three rounds, including two rounds of civics-based quiz questions. Each correct answer will receive one point, and each incorrect answer or unanswered question will receive zero points. The five highest-scoring Statewide Finalists from the first two rounds will participate in a third round of the Statewide Competition which will include questions from a panel of judges regarding the Statewide Finalists' essay submissions. The Statewide Finalist with the highest cumulative score at the end of the third round will be determined as the First-Place Winner of the Statewide Competition. Second-Place Winners and Third-Place Winners will also be announced based on the highest cumulative scores from all three rounds. If two or more Participants are tied at a score affecting advancement to the next round of Competition, the Statewide Host shall determine the method of resolution in its discretion.

In participating states with three or more Regional Competitions, the top three winners from each Regional Competition will advance to compete in the State Competition. In participating states with only two Regional Competitions, five finalists will advance from each competition, for a total of ten (10) participants at the State Competition. In participating states with only one Regional Competition, ten (10) finalists from the Regional Competition will advance to the State Competition. In participating states with only a Statewide Competition, the twenty (20) qualified finalists from the Essay Round will be invited to compete at the Statewide Competition.

The first-place winners from each State Competition and Statewide Competition will be invited to compete at the National Championship.

Each round of the NCB Contest is governed by its own set of rules. Regional, State, Statewide, and National Competitions are each subject to separate rules, terms, and conditions, and may be hosted by different organizations. Prizes may be won in each round and may vary. Participants should consult the applicable rules for specific details on each round.

### **RESPECTFUL CONTENT & CONDUCT REQUIREMENTS**

Central to the NCB Contest is the belief that civic engagement begins with thoughtful dialogue. This competition encourages students to express their views and analyze issues in ways that elevate the conversation and foster mutual understanding. To support this, we've provided the following content requirement to promote respectful debate and critical thinking.

When addressing community issues during the live competition portions of the Statewide Competition and other stages of the NCB Contest, participants should focus on the nature and impact of problems and challenges and at all times must avoid blaming, disparaging, identifying as the cause of the problem or as a contributor to the problem, or otherwise criticizing, any specific individual, company, organization, governmental body, or government official, by name or in any other identifiable manner ("Targeted Criticisms"). Judges will consider the intent and overall substance of a response when determining whether a comment constitutes a Targeted Criticism, and the Statewide Host shall make the final determination regarding enforcement and any resulting action. NCB Contest participants that include Targeted Criticisms in their live judging responses may be disqualified, or other appropriate action may be taken, as determined by the Statewide Host in its sole and absolute discretion, taking into account the nature and context of the response. This requirement supports the competition's mission to promote constructive civic dialogue and respectful engagement with community issues. This provision is intended to promote civil discourse, not to penalize honest expression of opinions.

Illustrative Examples:

**Acceptable:** "There are only a few activities for teens in our town, which can lead to boredom and risky behavior."

**May be disqualified:** "The Parks Director refuses to build anything fun for teens."

**Acceptable:** "There is limited access to internet in our town, which makes it difficult to do homework."

**May be disqualified:** "Internet Provider X is horrible and should go out of business."

Participants must act in good faith and uphold the spirit of fair competition. The following actions are prohibited and depending on severity and context may result in disqualification:

- Use of unauthorized devices, notes or communication during competition.
- Talking or signaling during questions.
- Deliberate stalling or attempts to gain extra time.
- Receiving or providing external assistance.

Parents/Guardians who disrupt play, attempt to signal answers, or otherwise interfere will be asked to leave immediately. Any attempt to influence competition outcomes may be referred to appropriate authorities.

All judges will sign a Code of Conduct prior to participating in the Statewide Competition, confirming they will act impartially and evaluate competitors solely on the published rubrics. Each judge will also complete a disclosure statement affirming the absence of any personal relationship that could be reasonably perceived as favoritism.

### **STATEWIDE COMPETITION PRIZES**

Each Statewide Finalist that participates in the Statewide Competition will receive a certificate (which does not have any monetary/retail value), commemorating their participation.

There will be one (1) third-place winner of the Statewide Competition (“Third-Place Winner”). The Third-Place Winner will receive a separate trophy (approximate retail value of \$60) and a cash prize of \$250.

There will be one (1) second-place winner of the Statewide Competition (“Second-Place Winner”). The Second-Place Winner will receive a separate trophy (approximate retail value of \$70) and a cash prize of \$500.

There will be one (1) first-place winner of the Statewide Competition (“First-Place Winner”). The First-Place Winner will receive a separate trophy (approximate retail value of \$90) and a cash prize of \$1,000.

In some cases, the Statewide Host may be able to provide financial support to allow participants to travel to the Statewide Competition; however, such support is not guaranteed, and participants should contact the Statewide Host for more details. The right to receive prizes may not be transferred, encumbered, or assigned by any winner or participant. No cash equivalent will be provided in lieu of non-cash prizes. The Sponsor reserves the right to substitute prizes in the event of unavailability, and there is no guarantee that any such substituted prize will be of equal value to the prize it replaced.

To claim a cash prize, the parent or legal guardian of the cash prize winner must provide a valid taxpayer identification number to the Sponsor. Payment of all federal, state, and local taxes are solely the responsibility of the winner(s) and the parent or legal guardian of the winner(s).

### **ODDS OF WINNING**

This is a skills-based contest, and chance plays no part in the determination of Statewide Competition winners. The odds of being selected as a Statewide Finalist or being selected as one of the top three

winners of the Statewide Competition may vary greatly and will depend on the number of participants received, as well as the knowledge and skills of all participants.
