

PRIME MINISTER

Budapest, 8th March 2016

Dear Bereaved Family,

We were deeply saddened to hear about the loss of Nancy Reagan. Please allow me to express, on behalf of the Hungarian people, the Hungarian Government and myself, our deepest condolences and may our thoughts and prayers comfort you during this difficult time.

We are eternally grateful for the historic changes accomplished by President Reagan, with the steadfast support of his devoted wife that changed the world and freed tens of millions from oppression. She was a loyal pillar of strength during very difficult times, which made this all possible.

Her dedication, support and unwavering loyalty to her husband and the nation should serve as an example for future generations of politicians and families. Her passing is a loss for the entire freedom loving world.

May God bless and strengthen the family during this trying time.

With sincere condolences,
