Dear Mr. Reagan and Ms. Davis:

I was saddened to hear of your mother's passing and wanted to share my heartfelt condolences with you and your family.

With her compassion and grace, Nancy Reagan dedicated her life to the American people as First Lady, touching the lives of so many with her incredible spirit and care for others. A tireless advocate for young people and the individuals and families affected by Alzheimer's disease, she continued President Reagan's legacy and worked to build a brighter and healthier future for people across our nation and far beyond. Your mother's efforts will inspire new generations to help make our country a better place. It is my hope that honoring all that she accomplished and celebrating her life will bring you some measure of comfort and peace at this difficult time.

On behalf of all New Yorkers, Chirlane and I extend our deepest sympathies.

Sincerely,

Bill de Blasio  
Mayor
