3517 International Court, N.W.
WASHINGTON, D.C. 20008

No.Pol-1/9/2016

March 16, 2016

The Embassy of the Islamic Republic of Pakistan presents its compliments to the U.S. Department of State and has the honor to request that the following condolence message of Additional Foreign Secretary (Americas), Ministry of Foreign Affairs may kindly be conveyed to the family of Late Mrs. Nancy Reagan:

“I wish to convey sincere condolences on the sad demise of Mrs. Nancy Davis Reagan. She served as the First Lady of the United States of America with considerable influence, elegance and charm and left her personal mark everywhere.

During her time in the White House, she raised awareness about important causes such as substance abuse and breast cancer. Later, through the Nancy Reagan Foundation, she also helped the National Alzheimer Association to raise awareness about Alzheimer’s disease in the US public.

She was a woman of strength and courage and her commitment to her country was matched only by that of her husband.

We pray for the departed soul and for the bereaved family to bear this great loss.”

The Embassy of the Islamic Republic of Pakistan avails itself of this opportunity to renew to the U.S. Department of State the assurances of its highest consideration.
