

From Newt and Callista Gingrich:

Callista and I join all Americans in mourning the passing of Nancy Reagan.

Nancy was a wonderful first lady and a remarkable companion to Ronald Reagan. Through the California Governorship, two presidential campaigns and eight years in the White House, Nancy was always by Ronald Reagan's side.

After the Reagan's left Washington, Mrs. Reagan dedicated herself to the Reagan Presidential Library and supporting her husband as he gradually declined from Alzheimer's.

She will be greatly missed.
