Dear Reagan Family,

In this moment of grief and sadness due to the loss of Nancy Davis Reagan, one of America's greatest First Ladies in history, this Embassy, in the name of the Government of Equatorial Guinea, would like to convey our deepest and heartfelt condolences to the Reagan Family and the People of the United States of America.

Nancy Reagan was an inspiration not just to people in the United States, but also people all around the world as she exemplified the best American values and principles alongside her loving husband President Ronald Reagan. We are convinced that they are finally reunited in God's heaven and as for us here, we trust that their legacy will endure forever more in making the world a better place.
