

Thinking of you, the Reagan family & Team and the many admirers of Ronald and Nancy Reagan around the world.

I will always remember the wonderful times that our Sailors had with the First Lady when we christened and commissioned USS RONALD REAGAN (CVN 76), dedicated the Reagan Missile Center at Vandenberg AFB and presented her with the Navy Public Service award.

Please let me know if I can help you in any way through the National Press Club or any other way.

Blessings,

Kevin Wensing
Captain USN (Ret)
