

**SHIMON PERES**

The Ninth President of the State of Israel

Tel Aviv- Jaffa, March 6, 2016

Dearest Reagan Family,

I was deeply saddened when I heard of Nancy's passing.

Nancy was an honorable and remarkable individual. A loyal, dedicated and supportive woman, who served her country as First Lady with the highest levels of dignity.

Standing by her family at all times, she also fought for causes that she truly believed in, and her determination was truly admirable.

The legacy she left, her character and kind heart serves as a testament to us all.

Please accept my condolences during this difficult time.

Sincerely Yours,

Shimon Peres
