U. S. A.

Dear Mrs. Reagan,

On behalf of the Grand National Party of Korea, I would like to offer you my deepest sorrow and condolences on the passing of your esteemed former President Ronald Reagan.

As the late former President Reagan displayed great leadership in spreading the ideology of freedom and peace to all corners of the world and made ceaseless effort to further promote the U.S.-Korea relations, there are many here who are greatly bereaved by the news of his death.

Our thoughts are with you in this time of great loss. He was a man with strong integrity and distinctive elegance. His unforgettable smile and optimism still fascinating us and I am sure He will live in everyone's mind forever.

May the late former President rest in eternal peace with the knowledge that he leaves behind the friendship between the peoples of our two countries all the more enriched and closer for his noble endeavors.

Sincerely yours,
