Dear Nancy,

The news of the passing of your husband deeply saddened my heart.

President Reagan was such a wonderful man in so many ways and the two of you were the perfect couple. My late husband Yuki and I were very fortunate to have had the privilege of knowing and spending time with you and your husband.

I know from my own experience how difficult it is to say goodbye to the love of one's life after half a century together. Now your husband's difficult battle has ended and he can rest in peace in heaven. Surely he is smiling down on you with love and gratitude for the life you shared together.

My thoughts and my prayers are with you Nancy during this very difficult time.

Sincerely,

Misako
