

JIMMY CARTER

June 7, 2004

To Nancy Reagan

Rosalynn and I are deeply saddened by your loss. President Reagan was one of our nation's great treasures, and we have admired his commitment to his values, his sense of humor, and his consummate leadership and communication skills. The courage and strength with which he faced his illness are further testaments to his character.

Please know that you and your family are in our hearts and prayers. We hope that your warm memories and the love of the many people whose lives he blessed will be of comfort to you in the days ahead.

Sincerely,

A handwritten signature in black ink that reads "Jimmy". The signature is written in a cursive style with a large, sweeping initial "J" and a long, thin tail on the "y".

Mrs. Ronald Reagan
