

RONALD REAGAN PRESIDENTIAL FOUNDATION AND INSTITUTE SPONSORS

Great moments in history do not simply happen, they are created by individuals who possess the vision and the will to forge dreams into reality. President Ronald Reagan was such a man. Firm in conviction, relentless in drive, he was the author of some of the greatest moments in the history of the 20th century.

That legacy endures today at the Ronald Reagan Presidential Foundation and Institute, where a host of initiatives from dynamic educational programs to world-class exhibitions and landmark public policy forums, provide individuals from our generation and those to follow with the vital resources they will need to create the great moments of their times.

Thank you to our sponsors for making Peace Through Strength possible.
